

ABOUT DC YOUTH TOURS

DC Youth Tours is a new way for families to enhance their vacation and visit to Washington, D.C. DC Youth Tours is the only tour guide and sightseeing service specializing in engaging youth ages 8-15 years old in the fun of the National Mall! With so many interesting things to see and the diversity of interests in your family, it can be hard for everyone to see everything you might want to see in Washington, DC. We take this challenge out of the equation by taking youth on a fun-filled tour of DC with other youth their age! Our tours are designed by and modeled after the team's experience as Ski/Snowboarding Instructors, Lifeguards, Swim Instructors, Outdoor Adventure Coaches, Wilderness EMTs and SCUBA Rescue Divers...meaning not only do our DC-Adventurers have a fun filled day of learning on their tours of all the sites on and surrounding the National Mall – they also have a safe team overseeing their environment.

Welcome to DC Youth Tours!

DC Youth Tours specializes in engaging youth ages 8-15 years old in seeing the sights around the National Mall in chaperoned day-long activities.

The Family Concept

Does each person in your family seem to have sites and interests they want to see in Washington, DC as varied and unique as their personalities? Is the debate about when and how much time to spend at each site beginning to seem as contentious as a debate on Capitol Hill?

Let our sightseeing activities be the continuing resolution your family is looking for that will create a non-partisan evening dinner conversation and memories to tell in your own Congressional District!

We take energetic youth, pre-teens, tweens and teens to the sites they want to see—leaving parents free to enjoy their day at their own pace—and provide them with new friends and engaging learning experiences that will leave only one debate over the dinner table: Who gets to tell about their day in DC first!

Safety & Quality

Our guides enjoy their work, many are professional teachers during the school-year or are studying for advanced degrees at the many prestigious DC-area universities. Guide leads love working with and inspiring young people. Each of our staff, from the guides to the support crew go through rigorous weekly training to keep them up to date on the newest events and information (and of course safety procedures and emergency action plans!).

DC Youth Tours offers a great unique sightseeing experience for youth ages 8-15 years old to spend chaperoned time with youth their age while parents are free to explore Washington, art galleries and brunch at their own pace!

DC Youth Tours is a wonderful option for families, and we also offer group and corporate rates if you have an event, conference or convention coming to Washington, DC and would like to offer your attendees an option to bring their children!
